2023	All

PAINT CODES

Actual finish of hulls and decks are either Polytec or acrylic.

For repair procedure, refer to the appropriate *CARE AND REPAIR ONLINE BOOKLET* on www.operatorsguides.brp.com.

NOTE: Paint codes are for painted parts only and paintable hulls or decks.

Color codes for dyed panels or anodized parts are not available.

All black components are paint code B-160 unless otherwise specified.

NOTE: None of the GTI, GTI SE, Fish PRO Scout, GTR and Wake 170 Models have painted parts or paintable hulls. Only the decks are paintable.

NOTE: The illustrations in this document show typical construction of the different assemblies and may not reproduce the full detail or exact shape of the parts; however, they represent parts that have the same or similar function.

PAINT

B.A.S.F. is Sea-Doo's official supplier for factory matched paint. BRP does not distribute these products.

Orders should be placed directly from your local paint supplier.

TOUCH-UP PAINT STICKS

For minor repair, use the following paint sticks available from BRP.
