## PAINT CODES

Actual finish of hulls and decks are either Polytec or Acrylic.

For repair procedure, refer to the appropriate *CARE AND REPAIR ONLINE BOOKLET* on [www.operatorsguides.brp.com](http://www.operatorsguides.brp.com).

**NOTE:** Paint codes are for painted parts only and paintable hulls or decks.

Color codes for dyed panels or anodized parts are not available.

All black components are paint code B-160 unless otherwise specified.

**NOTE:** None of the GTI, GTI SE, Fish PRO Scout, GTR and Wake 170 Models have painted parts or paintable hulls. Only the decks are paintable.

**NOTE:** The illustrations in this document show typical construction of the different assemblies and may not reproduce the full detail or exact shape of the parts; however, they represent parts that have the same or similar function.
